

2019 Athens County 4-H Camp Discounts & Camperships

The actual cost of 4-H camp is approximately \$150 per camper when accounting for all expenses. The registration fee for Athens County 4-H members is \$130, that is discounted to \$110 if they register on the day of Camper Round-Up. As a result, all Athens County 4-H members are automatically receiving a \$20 - \$40 scholarship to attend camp! These costs are offset by fundraising efforts at the county level, including donations from individuals & businesses. A large portion of this discount is funded by the TSC paper clover sale held twice a year through our local Tractor Supply Store!

In addition, our Athens County 4-H Committee is committed to keeping camp affordable for all members and families. Towards this end we will be offering two additional discounts again this year:

 **Multiple Camper Discount** - Families with 2 or more campers/counselors will receive a graduated discount:

2 campers = \$40 discount (\$20/camper)

3 campers = \$60 discount (\$20/camper)

4 campers = \$80 discount (\$20/camper)

 **First Time Camper Discount** - All first time campers will receive a \$30 discount!

We are constantly working to raise more funds and should additional funds become available for camperships, we would like to award them based on need. If you are interested in applying for additional camper-ship funds, should they become available, please complete the information at the bottom of this form and return it to the Extension Office. Thank you!
