## 2019 Athens County 4-H Clothing Judging Information

Athens County 4-H Clothing Judging will take place on **Friday, July 12, 2019** at the **EXTENSION OFFICE.**

Congratulations on completing your project! You must be present for both the interview and style show to compete for county awards and to be considered for state fair participation. Please bring your constructed outfit and wear an interviewing outfit, as you will be showing your garment both on and off the body.

1. Construction and Consumer skills interviews will take place according to the schedule below. Members will sign in as they arrive and interviews will take place in the order in which members sign up unless there are special scheduling needs. This part of the judging process will take place with the garment(s) off the member's body. Please arrive a few minutes before your project is scheduled to be judged. Also, please remember that this schedule is approximate and that unforeseen delays may occur.
2. All members will appear in project groups before the judge at approximately 1:30 p.m. (see chart below). The Style Show will take place immediately after all project groups have been seen by the judge. **You must be present for your interview, this portion of the judging, and the Style Show in order to place or to be considered for an award.** This part of the judging is to let the judge see the members' garments on their bodies to check fit, hemlines, etc. You will line up with those who are also enrolled in the same project as you for this portion of the judging.
