Those exhibitors required to submit registrations online include:

- **Market Swine, Market Rabbit, Market Chicken, and Breed Animals (Beef Breeding, Dairy Breeding Cattle, Dairy Goat, Breeding Meat Goat, Fancy Breed Poultry, Breed Rabbit, Sheep Breeding and Swine Breeding) AND NEW for 2024 ---- Swine Carcass!!**

Registration for the above species will begin **WEDNESDAY, May 1, 2024 at 8AM**. Registration will close on **Wednesday, May 8, 2024 at 8PM**. Beginning on Wednesday, 05/01/24 - Please go to www.athenscofair.org/forms and click on "Fair Entry Registration" to get started. Log on from your computer or any mobile device (including smartphones) to submit your entries to the fair. During this online process, the registration of \$3 per pen of rabbits or chickens, as well as the payment for the chicks ordered will be paid at the time of online registration. Also, the registration of \$3 per hog will be submitted online, as well as the required photos (clear visible ear notches on each ear) will be uploaded at the time of online registration. No blurry photos will be accepted. Swine Carcass will follow the same instructions as market swine. (Swine can be registered as both a market swine and a swine carcass – see Swine Carcass Rules)

The FairEntry online entry system will streamline the entry process and will allow check-ins, show programs and results to be processed and posted quickly and efficiently during the fair.

Online entries will be required for 2024 for the above exhibitors. ***The deadline for these online entries is Wednesday, May 8, 2024. This deadline will be strictly enforced since the system will close entries at 8pm on this date.*** We have attached the instructions for the entry process on the next page. If you do not have internet access or need assistance with the online entry process, the Sale Committee will have computers available during the following times for exhibitors to come in, set up their accounts and ask any questions.
