Dear 4-H Volunteer:

Your club's fair packet will be available for you to pick up at the Extension Office after 12 pm tomorrow, August 3rd. We are open until 4:30 tomorrow and 8:30 am to 4:30 pm the rest of the week.

Please check the copy of your attendance list that will be included in your club's packet. You may not have wristbands for everyone listed on your attendance/pass sheet for several of the following reasons:

- member didn't attend at least 6 meetings
- one of your members is also in a second club and receiving their wristband through that club
- one of your members requested to receive their wristband through their FFA chapter
- one of your members did not complete still project judging or has reported to us that they will not be showing livestock (and did not complete skillathon) making them incomplete and ineligible for a wristband

Please keep in mind that exhibiting at the county fair is a requirement to receive a wristband. If one of your club members decides not to exhibit their still project, or decides not to bring their livestock to the fair, they should not receive a wristband.

Thank you for everything you do for our 4-H members throughout the year! This will be a busy week and more information will come out later regarding DUNFs and other fair related details. I hope everyone stays hydrated and gets some rest before next week!
