Dear 4-H Volunteer:

September is flying by and I am already working on our 2027 4-H calendar. I'm also getting calls and emails from families looking for 4-H clubs! We are putting together a **4-H club directory** to post on our website and need information from you! **All clubs should complete the club directory survey found at the link below by October 15th.** Please discuss with your co-volunteers and only submit **ONE survey per club**. I need to know whether your club will be accepting new members, contact information, etc. Only clubs accepting new members in 2027 will be included in the club directory, however, we need this information for all 4-H clubs. Please note, **if you indicate that you will not accept new members that means that the only new enrollments from your club should be siblings of existing members. Clubs are not allowed to "screen" which members they will accept.** Thank you for completing this survey as promptly as possible.
