

Dear 4-H Family:

Welcome to December! I hope you all had a nice Thanksgiving last weekend! If your family's copy of the **2024 4-H Family Guide** (and some really cool 4-H bumper stickers) hasn't already arrived in your mailbox, then it should be there very soon! Thanks to a generous donation from Kroger, Ohio 4-H is able to mail a copy of the family guide to every 4-H family that was active in 2023. If your club would like to write a thank you note to Kroger, please let me know and I can get it to the Ohio 4-H Foundation for you!

Planning on taking a **4-H Clothing and Textile Project** in 2024? Then you definitely want to mark your calendar for the **4-H Sew Ohio** event to be held on **Saturday, April 27, 2024** at the **Ohio 4-H Center** in Columbus! 4-H Master Clothing Educator Volunteers will be offering sessions for beginner, intermediate, and advanced level projects. More information will be available in early 2024.

**NOW is the perfect time to** look through your new 4-H Family Guide and decide on your 2024 4-H projects! The upcoming winter break from school is a great opportunity to get started on still projects – call or email to see if we have your project book in stock. If not we can order one for you!
